

Let's start talking about **Healthy Relationships!**

# Love is NOT Abuse

What is a Healthy Relationship-Friendship? Find out what constitutes a healthy friendship-relationship and the things you need to keep a relationship-friendship healthy.

## Learn the warning signs of abuse.

What is the difference between Healthy and Unhealthy Relationships? Does your child know the difference? Have you explained healthy friendships to your child?

## Does your child engage in healthy

relationships with their peers and teachers? Learn and teach the building blocks to healthy and respectful relationships-friendships to your child.
