The Lion King turns 20!!

By: Yomar & Briseyda

The Lion King opened 20 years ago as theatrical play on Broadway and it’s ROARING its way to King Elementary. As the story goes, Simba, a young cub from Pride Rock, has a hard time in life and when he grows up, he has to make big decisions. In the story, Simba meets new and exciting friends along the way.

Mrs. Lobliner-Cortez and Ms. Igu, teachers and co-producers, held auditions on March 1. Ms. Igu was excited, “We had nearly 45 students audition for this play.” Both teachers are eager to work with these talented students. The cast and crew work hard and rehearse several times a week. “I am excited about being apart of the play,” says Dayanara Perez who plays Rafiki. “I am learning a lot about myself and how to be a better actor.”

Partial Lion King Cast

Even Raphael Lopez who plays young Simba says that he was nervous about trying out for the play. “I was scared a little because I did not get the part for the last play.” This is his first acting job and he hopes to be an amazing actor.

The play starts June 2 and students are excited to see their friends perform. Andre Adams, 2nd grader at King, says “I can’t wait to see my friend on stage and I know he will do great!”

The King Wildcats leaped for the hoop and scored the Championship! In a game against the Mayo Rockets, the team was ahead by 1 point at halftime.

The Rockets dominated the 1st quarter, but Coach Carter encouraged the team. “You need to be consistent, work hard and don’t give up!” He told them to “focus and put all of your efforts into winning the game.” Saniyah Irvin, power forward for the Wildcats, admits “this was an exciting game, I had to get serious about it!”

With two minutes left on the clock, the Wildcats scored the last point. The Wildcats won the game 18:8. Tania Guardado, small forward for the team, said “Coach Carter means business when we are on the court. This season has been great, I learned how to be a better player on the court!”

2018 BASKET BALL CHAMPS

The Journalism Club

Wishes to acknowledge Mrs. Emile for giving us a chance to write, our families for letting us be apart of the club and our advisors: Ms. Felder & Ms. Jenkins for pushing us to always be the best!

Feeling nervous or frustrated about taking the state test? The CAASPP stands for California Assessment of Student Performance and Progress. It is a test given to all students in the state of California in grades 3-8 and 11. Students take test in April and May in English, Math and Science (grades 5, 8 and High School). Students practice all school year to do good on the test. Students take this test so that people who make big decisions about Education (like teachers, principals and parents) can monitor student progress and make changes in student learning.

The test usually last for a few weeks and most students dread taking it too. Marbella Magana, 5th grader at King, admits “I’m not that excited about taking the test but I am going to work hard.” Ms. Barrera, 4th grade teacher at Kings states he’s going to golf, bowl and spend time “not thinking about students!” Whatever you decide, make sure you have lots of fun—you’ll need it to finish out the rest of the school year!

*Students should exercise lightly
*Arrive to school on time
*Think positively and carefully
*Read all directions carefully
*Read all questions carefully
*Double check your work for accuracy

You can use this tips to achieve success on any test you take in the future!
