

Compton Unified School District

Notice of Public Hearings Regarding Composition of Board Districts (Trustee Areas)

September 25, 2019

Please take notice that, on September 30, 2019, the Board of Trustees of the Compton Unified School District will hold a **FIRST PUBLIC HEARING**, commencing at 6:00 p.m., to receive public input regarding the composition of Board Districts (trustee areas).

Please take notice that, on October 4, 2019, the Board of Trustees of the Compton Unified School District will hold a **SECOND PUBLIC HEARING**, commencing at 10:00 a.m., to receive public input regarding the composition of Board Districts (trustee areas).

The public hearings will both be held in the Board Room of the District's Administrative Offices, located at 501 S. Santa Fe Avenue, Compton, California 90221.

The Board is currently elected using an at-large election system, in which all Board members are elected by voters of the entire District. These public hearings are part of the procedure by which the system is being converted to a trustee-area election system. In a trustee-area election system, the District will be divided into seven trustee areas and, for each trustee area, a board member will be elected by only the registered voters residing in that particular trustee area. To be eligible for election, candidates would need to reside in the trustee area in which they are running for election.

The public hearings scheduled for September 30, 2019, and October 4, 2019, are for the purposes of receiving public input regarding the composition of the trustee areas to be formed. Members of the public are encouraged to participate and provide public input at the hearings.
