Equal Employment Opportunity

The Compton Unified School District is an equal opportunity employer. In accordance with applicable law, we prohibit discrimination and harassment against employees, applicants for employment, individuals providing services in the workplace pursuant to a contract, unpaid interns and volunteers based on their actual or perceived: race (including traits historically associated with race, such as hair texture and protective hairstyles), religious creed, color, national origin, ancestry, physical or mental disability, medical condition, genetic information, marital status (including registered domestic

partnership status), sex and gender (including pregnancy, childbirth, lactation and related medical conditions), gender identity and gender expression (including transgender individuals who are transitioning, have transitioned, or are perceived to be transitioning to the gender with which they identify), age (40 and over), sexual orientation, Civil Air Patrol status, military and veteran status and any other consideration protected by federal, state or local law (collectively referred to as "protected characteristics").

For purposes of this policy, discrimination on the basis of "national origin" also includes discrimination against an individual because that person holds or presents the California driver's license issued to those who cannot document their lawful presence in the United States, as well as discrimination based upon any of the following: an individual's or individual's ancestors' actual or perceived physical, cultural or linguistic characteristics associated with a national origin group; marriage to or association with individuals of a national origin group; tribal affiliation; membership in or association with an organization identified with or seeking to promote the interests of a national origin group; attendance or participation in schools, churches, temples, mosques or other religious institutions generally used by persons of a national origin group; or a name that is associated with a national origin group. An employee's or applicant for employment's immigration status will not be considered for any employment purpose except as necessary to comply with federal, state or local law.

The District allows employees to self-identify their gender, name and/or pronoun, including gender-neutral pronouns. The District will use an employee's gender or legal name as indicated on a government-issued identification document, only as necessary to meet an obligation mandated by law. Otherwise, the District will identify the employee in accordance with the employee's current gender identity and preferred name.

The District will not tolerate discrimination or harassment based upon these characteristics or any other characteristic protected by applicable federal, state or local law. The District also does not retaliate or otherwise discriminate against applicants or employees who request a reasonable accommodation for reasons related to disability or religion. Our commitment to equal opportunity employment applies to all persons involved in our operations and prohibits unlawful discrimination and harassment by any employee, including supervisors and co-workers.
