I. Introduction

This Annual Report (“Report”) is submitted to the Compton Unified School District’s (“District”) Superintendent and Board of Trustees (collectively “Board”) by the District’s Measure S Citizens’ Bond Oversight Committee (“CBOC”).

1. This Report is intended to present the annual financial and performance audits for the 2020/2021 fiscal year, as well as recent activities and opinions of the CBOC. The CBOC is required to prepare and present to the Board, in public session, an annual written report, which includes a summary of the CBOC’s activities and a statement indicating whether the District is in compliance with requirements that bond revenues have been used only for the purposes authorized by the bond measures. (Gov. Code §15280; CBOC Bylaws, Para. 4.1.D.1.)
2. The CBOC advises that, to the best of its knowledge, the District is in compliance with the requirements of Article XIII A, Section 1 (b) (3) of the California Constitution, which requires:

“(b) The limitation provided for in subdivision (a) shall not apply to ad valorem taxes or special assessments to pay the interest and redemption charges on any of the following:

(3) Bonded indebtedness incurred by a school district ... for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, approved by 55 percent of the voters of the district or county, as appropriate, voting on the proposition on or after the effective date of the measure adding this paragraph. This paragraph shall apply only if the proposition approved by the voters and resulting in the bonded indebtedness includes all the following accountability requirements:

(A) A requirement that the proceeds from the sale of the bonds be used only for the purposes specified in Article XIII A, Section 1(b)(3), and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

(B) A list of the specific school facilities projects to be funded and certification that the school district board ... has evaluated safety, class size reduction, and information technology needs in developing that list.”

IV. Measure S Bond Program Summary

The District has 1 bond authorization:

- The District was successful at the election for Measure S, conducted on November 3, 2015, in obtaining authorization from the District’s voters to issue up to \$350,000,000 aggregate principal amount of the District’s general obligation bond, pursuant to a greater than 55% vote. The bond was issued to finance the construction, improvement, equipping and furnishing of various capital finances of the District.

Measure S was passed under Proposition 39 (chaptered as the Strict Accountability in Local School Construction Bonds Act of 2000, sections 15264, et seq., of the Education Code) provisions, which allow passage of school bond measures with 55% voter approval if certain conditions are met. The elections were conducted pursuant to Proposition 39 requirements. Proposition 39 allows the District to use bond funds only for projects described in the bond measure language. The funds cannot be used for staff salaries or projects not described in the language of the bond measures. It also mandates the formation of a Citizens’ Bond Oversight Committee.

Pursuant to Section 15278 of the Education Code, on January 26, 2016 the District approved Resolution No. 15/16-22, establishing a CBOC, to satisfy the accountability requirements of Proposition 39. The resolution directed staff to propose bylaws for the policies and regulation of the CBOC, which were adopted on February 9, 2016.

V. Summary of CBOC Activities

To satisfy Proposition 39 requirements, the CBOC has met regularly, reviewed expenditure reports, and have been updated on the Bond Program’s progress (planning, design, and construction).

The CBOC conducts its meetings in accordance with provisions of the Ralph M. Brown Public Meetings Act, contained in sections 54950, et seq., of the Government Code. Meeting notices and agendas are sent to members of the CBOC and posted **at the District Office** and the District’s website.
